

2017 WES Action Plan

Use this worksheet as a guide to create your action plan for your 2017 UBC Workplace Experiences Survey results. The worksheet helps you to capture what is interesting in your results, celebrate what is working well, and identify an area of focus for action. Ensure your actions are specific and realistic.

<p>What we said</p> <p>Areas of opportunity from the WES you're choosing to explore.</p>	
<p>What we heard</p> <p>What review, reflection, and discussion of the area of opportunity revealed, as well as any relevant context.</p>	
<p>What we're doing</p> <p>Based on what we said and heard, choose one strength to celebrate and continue; and one area of focus. Identify specific actions along with a timeline.</p>	
<p>What success looks like</p> <p>Measures we will use to determine the impact of our actions.</p>
